Vision, Mission & Quality Policy

The principles guiding NORMEIRA

Vision

To become one of the most respected certification bodies in the region, known for credible certification, professional integrity, and the confidence we bring to organisations, industries, and markets.

Mission

To deliver trusted certification services through impartial audits, clear certification processes, and internationally aligned practices, enabling organisations to demonstrate compliance, strengthen credibility, and achieve sustained confidence in competitive markets.

Professional integrity

**Authentic certification built
on impartiality and trust**

Quality commitments

Integrity, independence, competence, confidentiality, and consistency in all certification activities

Certification decisions grounded in objective evidence, recognised requirements, and disciplined audit practice

Continual strengthening of processes, controls, and service quality to sustain confidence in certificates issued by NORMEIRA

Accreditation & Recognition

Credibility through recognised accreditation

NORMEIRA's core certification portfolio is supported by accreditation through Emirates International Accreditation Centre (EIAC), the UAE accreditation body. EIAC operates within the international accreditation framework, and the global framework transitioned in January 2026 when Global Accreditation Cooperation Incorporated (Global ACI) assumed the former roles of IAF and ILAC.

- EIAC-accredited schemes: ISO 9001, ISO 14001, ISO 45001, ISO 22000, and HACCP
- Accredited certificates provide stronger confidence for clients, procurement teams, supply chains, and other stakeholders
- NORMEIRA presents clear scheme distinctions for accredited, non-accredited, collaboration-based, and accreditation-in-progress routes
